All of Me
Stories of Love, Anger, and the Female Body
Editor: Dani Burlison

With women’s anger, empowerment, and the critical importance of intersectional feminism taking center stage in much of the dialogue happening in feminist spaces right now, an anthology like this has never been more important. The voices in this collection of essays and interviews offer perspectives and experiences that help women find common ground, unity, and allyship.

Through personal essays and interviews about what it is like to live as a woman (cis + trans) in this modern world—with all of our love, anger, complexities, and desires for justice—All of Me: Stories of Love, Anger, and the Female Body includes vulnerable, painful truths and bold inspiration.

This anthology is for seasoned feminists and young feminists alike—anyone looking to find inspiration in radical activism, creativity, healing, and more. This book covers topics of social and economic justice, creativity, racism, transgender perspectives, sexuality, sex work, addiction and recovery, reproductive rights, assault, relationship dynamics, families, fitting and not fitting in, radical self-care, witchcraft, and more.

If love and anger are two sides of the same coin, for women there are worlds to be explored with every flip of that coin. Readers will find a glimpse into those worlds in the pages of All of Me.

ACCOLADES
“Visceral, raw, and personal, All of Me is the barbaric yawp of womanhood unrestrained. Ranging from the confessional to the call to action, this collection of deeply personal writings tears back the veil of womanhood to show the glorious and gritty guts of it all. Unfiltered, unadulterated, open; witness the wounds and the wisdom of what it means to be a woman today.”

“All of Me celebrates rage as a way to reject a culture that isolates women from one another. Such a necessary read!”
—Soraya Chemaly, author of Rage Becomes Her: The Power of Women’s Anger
