

# Another War Is Possible

## Militant Anarchist Experiences in the Antiglobalization Era

**Tomas Rothaus • Foreword by CrimethInc.**

This is history come to life.

At the turn of the century, the movement against capitalist globalization exploded onto the world stage with mass mobilizations in Quebec City, Washington, Genoa, and other cities. Anarchists faced off against heads of state, captains of industry, and riot police by the thousands. While the authorities sought to bend all living things to the profit imperative, anarchists set out to demonstrate a way of fighting that could open the road to a future beyond capitalism. The twenty-first century was up for grabs. And every time, Tomas Rothaus was there, fighting on the front line.

In *Another War Is Possible*, we follow Tomas from his days as a young militant to his tenure editing the publication *Barricada*. In vivid prose, he recounts the lessons he learned from veterans of the Spanish CNT—his first experience trading blows with police in the streets of Paris—his adventures slipping across borders to participate in epoch-making riots. With Tomas, we breathe tear gas, we tear down fences, we tour the squats and battlefields of three continents.

Along the way, Tomas shows that the tragedies of the twenty-first century were not inevitable—that another war was possible. His testimony is proof that another world remains possible today.

### ABOUT THE CONTRIBUTORS

**Tomas Rothaus** is a lifelong anarchist and antifascist as well as an athlete and a father. He was born in Buenos Aires, Argentina, and his nomadic life led to him moving around with stops in Athens, Boston, Buenos Aires, and Paris, followed by longer stints in Germany, and more recently returning to Argentina. He has been involved with a broad range of organizations including the CNT-Vignoles, Collectif Anti Expulsions (Anti Deportation Collective), Barricada Collective, Northeastern Federation of Anarcho-Communists, Antifaschistische Linke International, and Acción Antifascista Buenos Aires. Over the past twenty plus years he has been an active participant in militant demonstrations and antifascist mobilizations ranging from the 2001 Bush inauguration, the FTAA summit in Quebec, the 2007 G8 summit in Rostock, and the 2011 mobilization to stop the march of several thousand neo-Nazis in the city of Dresden.

**CrimethInc.** is a rebel alliance—a decentralized network pledged to anonymous collective action—a breakout from the prisons of our age. We strive to reinvent our lives and our world according to the principles of self-determination and mutual aid.

### ACCOLADES

"*Another War Is Possible* is a compelling invitation to revolutionaries of the past, present, and future to think critically and historically about their years of struggle. Rothaus's captivating memoir of global justice militancy beyond puppets and platitudes is painfully honest, admirably humble, and at times simply hilarious."

—Mark Bray, author of *Antifa: The Anti-Fascist Handbook*

"Incendiary and inspiring, captures our militant spirit beautifully."
