Beyond Crisis
After the Collapse of Institutional Hope in Greece, What?

Editors: John Holloway, Katerina Nasioka, and Panagiotis Doulos

The government led by Syriza in Greece, elected in January 2015, at first seemed to be the most radical European government in recent history. It proclaimed itself the “Government of Hope” and throughout the world symbolized the hope that radical change could be achieved through institutional politics. The referendum of July 2015 rejected the austerity imposed by the banks and the European Union but was followed by a complete reversal of the government’s position and its acceptance of that austerity.

The collapse of hope that accompanied the failure of the institutional Left opened the way to the return of the right-wing New Democracy Party, with a more aggressive program than ever. The essays collected in Beyond Crisis, among other things, form a case study of the “Greek experiment” that points to deeper implications concerning the global upsurge of disillusioned anger that has spurred the rise of far-right populism and support for strong leaders, exclusion of ethnic minorities, and greater “racial purity.”

The Syriza government’s dramatic crash showed the limits of institutional politics, a lesson apparently overlooked by the enthusiastic followers of Jeremy Corbyn and Bernie Sanders. But it also poses profound questions for those who reject state-centered politics. The anarchist or autonomist movement in Greece has been one of the strongest in the world, yet it has failed to have a significant impact in opening up alternative perspectives.

So how do we pick up the pieces? What direction should we follow from now on? How do we understand what happened and learn from it? The essays in this collection do not point to a single conclusion or path forward but rather raise questions that remain open about how to move beyond the current crisis amid a darkening sky of seeming impossibility.

ABOUT THE EDITORS

John Holloway is a professor of sociology at the Instituto de Ciencias Sociales y Humanidades in the Benemérita Universidad Autónoma de Puebla, Mexico, and is the author of numerous other books.

Katerina Nasioka is the coauthor of Gender and Journalism in Greece and the author of Ciudades en Insurrección: Oaxaca 2006/Atenas 2008.

Panagiotis Doulos teaches in the Department of Social Anthropology in the Universidad Autónoma de Tlaxcala

ACCOLADES

“Beyond Crisis is a beautiful and unusually rewarding book. This extraordinary collection of essays combines theory with passion and impresses with its sweep and scope. Bursting with ideas and observations, this highly original account of social struggles in Greece offers a fresh perspective on capitalism, resistance, and dignified life beyond crisis.”

—Andrej Grubacic, coauthor of Wobblies and Zapatistas
