

# In China with Green Day

## Aaron Cometbus

When a former Green Day roadie reunites with the group, the result is a moral reckoning that eviscerates the music business, both underground and mainstream. It's also a tender travelogue about finding common ground while exploring new roads with old friends. One need not be a fan of the band to enjoy this roller-coaster journey through Asia and its exploration of very different ideas of success.

## ABOUT THE AUTHOR

PM Press is an independent, radical publisher of critically necessary books for our tumultuous times. Our aim is to deliver bold political ideas and vital stories to all walks of life and arm the dreamers to demand the impossible. Founded in 2007 by a small group of people with decades of publishing, media, and organizing experience. We're old enough to know what we're doing and young enough to know what's at stake.
