

# Patty Hearst & The Twinkie Murders

## A Tale of Two Trials

### Paul Krassner

*Patty Hearst & The Twinkie Murders* is darkly satiric take on two of the most famous cases of our era: the kidnapping of heiress Patty Hearst and the shocking assassinations of San Francisco mayor George Moscone and gay leader Harvey Milk. As a reporter for the *Berkeley Barb*, Paul Krassner was ringside at the spectacular California trials. Krassner's deadpan, hilarious style captures the nightmare reality behind the absurdities of the courtroom circus.

Using his infamous satiric pen and investigative chops, Krassner gets to the truth behind the events: the role of the police and FBI, the real deal with Patty and the SLA, and what really happened in Patty's infamous closet.

*Plus:* A merciless exposé of the "Taliban" wing of the gay movement and their scandalous attacks on alt-rock star Michelle Shocked.

Also featured is our Outspoken Interview, an irreverent and fascinating romp through the secret history of America's radical underground. Names will be named.

### ABOUT THE AUTHOR

Creator of the *Realist*, the legendary underground magazine that many credit as the beginning of the radical "new journalism" of the 1960s, Paul Krassner is an immortal, immoral, revered, and reviled icon of American humor. Wielding satire as a weapon, he began the assault on middle America known today as the "counterculture" and is still a hero to radicals and a menace to the establishment. He now lives near Palm Springs disguised as an old man.
