

# Strike!

## 50th Anniversary Edition

**Jeremy Brecher**

**Preface: Sara Nelson • Foreword: Kim Kelly**

Jeremy Brecher's *Strike!* narrates the dramatic story of repeated, massive, and sometimes violent revolts by ordinary working people in America. Involving nationwide general strikes, the seizure of vast industrial establishments, nonviolent direct action on a massive scale, and armed battles with artillery and tanks, this exciting hidden history is told from the point of view of the rank-and-file workers who lived it. Encompassing the repeated repression of workers' rebellions by company-sponsored violence, local police, state militias, and the U.S. Army and National Guard, it reveals a dimension of American history rarely found in the usual high school or college history course.

Since its original publication in 1972, no book has done as much as *Strike!* to bring U.S. labor history to a wide audience. Now this fiftieth anniversary edition brings the story up to date with chapters covering the "mini-revolts of the 21st century," including Occupy Wall Street and the Fight for Fifteen. The new edition contains over a hundred pages of new materials and concludes by examining a wide range of current struggles, ranging from #BlackLivesMatter, to the great wave of teachers strikes "for the soul of public education," to the global "Student Strike for Climate," that may be harbingers of mass strikes to come.

### ABOUT THE CONTRIBUTORS

**Jeremy Brecher** has participated in movements for nuclear disarmament, civil rights, peace, international labor rights, global economic justice, accountability for war crimes, climate protection, and many others. He is the author of fifteen books on labor and social movements, including the national best seller *Strike!*. He has received five regional Emmy awards for his documentary film work. He is currently policy and research director for the Labor Network for Sustainability.

**Sara Nelson** is international president of the Association of Flight Attendants-CWA, AFL-CIO. During the 2019 government shutdown, her call for a general strike helped showcase the power aviation employees can wield by withholding service and helped lead to the reopening of the government.

**Kim Kelly** is the labor columnist for *Teen Vogue*. Her writings on labor, politics, and culture have appeared in the *New York Times*, the *Washington Post*, the *Guardian*, *Pacific Standard*, and many others. She is a proud member of the Writers Guild of America, East, and has been active in multiple organizing and contract campaigns since 2015.

### ACCOLADES

"Jeremy Brecher's *Strike!* is a classic of American historical writing. This new edition, bringing his account up to the present, comes amid rampant inequality and growing popular resistance. No book could be more timely for those seeking the roots of our current condition."

—Eric Foner, Pulitzer Prize winner and DeWitt Clinton Professor of History at Columbia University
