

THE CNT IN THE SPANISH REVOLUTION VOLUME 3

José Peirats

Introduction by Chris Ealham

The CNT in the Spanish Revolution is the history of one of the most original and audacious, and arguably also the most far-reaching, of all the twentieth-century revolutions. It is the history of the giddy years of political change and hope in 1930s Spain, when the so-called 'Generation of '36', Peirats' own generation, rose up against the oppressive structures of Spanish society. It is also a history of a revolution that failed, crushed in the jaws of its enemies on both the reformist left and the reactionary right.

José Peirats' account is effectively the official CNT history of the war, passionate, partisan but, above all, intelligent. Its huge, sweeping canvas covers all areas of the anarchist experience—the spontaneous militias, the revolutionary collectives, the moral dilemmas occasioned by the clash of revolutionary ideals and the stark reality of the war effort against Franco and his German Nazi and Italian Fascist allies. *Volume 3* tells of the CNT's last push for the anarchist revolution in Spain, and the crushing defeat of the wide ranging activities of the CNT. An additional chapter surveys "The History of Spanish Anarchism in the English Language."

This new edition is carefully indexed in a way that converts the work into a usable tool for historians and makes it much easier for the general reader to dip in with greater purpose and pleasure.

ABOUT THE AUTHOR

After starting work at the age of 8, José Peirats joined the anarcho-syndicalist CNT at 14. He received his education inside the factories, union centres and anarchist-run schools of Barcelona, becoming one of the great "intellectuals" of the Spanish anarchist movement, publishing a stream of books, pamphlets and newspaper articles on a diverse range of subjects, including history, philosophy, cinema, and politics.

ABOUT CHRIS EALHAM (INTRODUCTION)

Chris Ealham lives and works in Madrid and has spent over 20 years researching Spain's anarchist and anarcho-syndicalists movements. The author of numerous articles in Catalan, English, Italian, and Spanish, his most recent book is *Anarchism and the City: Revolution and Counter-Revolution in Barcelona, 1898-1937* (Oakland, CA: AK Press, 2010).

ACCOLADES

"...this is a wonderful work and an essential resource for anyone interested in the history of the CNT and the Spanish revolution. Indeed, reading Peirats' work you see how much other historians (and other anarchists) have lifted from it in their books. It is great to finally have the work available in English."

—www.struggle.ws

"For those whose field of study is modern Spain, this is indeed an obligatory purchase. Given that this edition has been indexed and footnoted it may prove more useful to scholars than the original Spanish-language editions."
