

MOVE INTO THE LIGHT

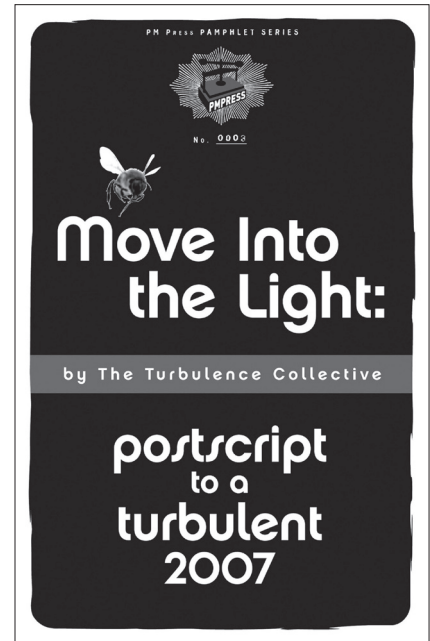

Postscript To a Turbulent 2007

Turbulence Collective

Whether it's the G8 summit at Heiligendamm or experiments in Latin America, the politics of climate change or uprisings in the French banlieues, questions of visibility and illumination crop up again and again. But our experiences create their own luminosity, and their own areas of darkness. How can we overcome our night-blindness once we move beyond the familiar?

ABOUT THE AUTHORS

Turbulence is an irregular publishing project that we hope will become an ongoing space for thinking through the ideas and practices of our movements. Turbulence are: David Harvie, Keir Milburn, Tazio Mueller, Rodrigo Nunes, Michal Osterweil, Kay Summer, Ben Trott, and David Watts.
